Dear Somers Residents and Businesses:

I am the Coordinator for the Somers Job Mart, a youth employment service provided by the Town of Somers through the Department of Parks and Recreation.

Through the Somers Job Mart, Somers eighth through twelfth grade students are available for employment as baby-sitters, office assistants, party-aides, clerks or to help with household chores or yard work.

If you are interested in hiring a Somers youth, please call me at 248-5700 and leave a message. I will return your call as soon as possible.

Sincerely,

Kathy Serraro, Coordinator
